Subject: Acknowledgment of Notice of Activity, Kennecott Utah Copper LLC, Copperton Concentrator, M/035/0011, Salt Lake County, Utah

Dear Mr. Payne:

The Division of Oil, Gas and Mining acknowledges receipt of your letter dated April 6, 2011, concerning potential activity at the Copperton Concentrator. We appreciate the information and will look forward to receiving a formal proposal prior to any earthmoving activities. Among other items, the proposal should include:

- A reclamation regrading plan for the area at the same scale as the drawing submitted with your letter (1" = 200').
- Results of a cultural resource survey which includes recommendations about eligibility for listing in the National Register of Historic Places of any sites found.
- A wildlife and vegetation survey together with the proposed post mining seed mix.

The map submitted with your letter will be considered a confidential part of the Notice of Intention.

We appreciate Kennecott's cooperation in fulfilling these regulatory requirements.

Sincerely,

Paul B. Baker
Minerals Program Manager
